

2025 SAAG 2025

.... OUDTSHOORN, SOUTH AFRICA

Save the Date!

The **Southern African Association of Geomorphologists** is pleased to invite you to the next **Biennial Conference** which will be hosted in the Klein Karoo town of **Oudtshoorn, South Africa** from **15-18 July 2025**.

We encourage potential participants to consider **organised road trips** from their regions to the conference venue, [Klein Plaas Holiday Resort](#). If you are willing to coordinate a road trip, please contact us. In addition, we are planning a **pre-conference field excursion** and hopefully a **workshop** or two. If you can contribute your expertise or have a specific need for a workshop, please get in touch with us!

More details will follow soon...
